Dear RD Farnazo:

Greetings!

The Department of Mathematics of the Ateneo de Manila University is spearheading a hybrid program that aims to build and bring together communities of educators and students passionate about mathematical problem-solving. *Problem-Solving Enrichment and Training (ProbSET)* Program is a collaborative project together with participating State Universities or Colleges, Department of Education Divisions around the country.

Following the success of the pilot program, we are eager to expand ProbSET's efforts to reach more communities and students. Thus we are opening some of our training sessions to a greater audience. If you would like to participate in our online training, there is a participation fee of **Php 2,000**. This entitles you to attend four (4) online problem-solving sessions taught by faculty members of the Ateneo de Manila University, Department of Mathematics. These sessions are to be held via Zoom.

August 5, 2023, 9am-12nn	Session 1: Introduction and Recreational Problems
Sept 2, 2023, 9am-12nn	Session 2: Algebra Problems
Oct 7, 2023, 9am-12nn	Session 3: Discrete Math Problems
Nov 9, 2023, 9am-12nn	Session 4: Geometry Problems

We would like to seek your help in disseminating information regarding the ProbSET program. We understand that one of the twin goals of the K-12 program is problem-solving. Hence, we would like to highly encourage basic education teachers to join these training sessions for non-routine mathematical problem-solving.
