ALLAN G. FARNAZO
Director IV
Department of Education XI
Torres St, Davao City

Dear Dir. Farnazo;

Mabuhay!

It is with great pleasure to inform your good office that the Beekeepers Network Philippines Foundation, Inc. (BEENET) will conduct the 27th Beekeepers National Conference and Techno-fora in Davao Region on August 17-19, 2023 with the theme, "Aligning Apiculture to Agri-eco Awareness". The Ritz Hotel - Garden Oases, Obrero, Davao City is the venue of the said activity.

The BEENET is a non-stock/non-profit corporation and is duly registered with The Philippines Securities and Exchange Commission on February 19, 1996. Its purpose is to primarily coordinate with the agencies of the government to promote advocacy through various programs and activities; thereby, to be able to protect, improve and strengthen the Philippine bee industry. It is also to establish standards on stock, quality and health of the bees, beehive products, its marketing aspects and to further the Bee Research and Development. Furthermore, the BEENET is an independent sector that specializes in the conservation, protection and management of the bees with the unwavering support and strong leadership of the Department of Agriculture. This collaborative effort is very essential in the pursuit for the recognition of the importance of the bees and to uphold its essence in the ecosystem and the food chain; which is, life to all.

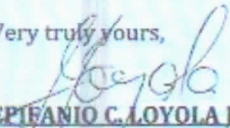

With an expected number of not less than 200 participants; the event anticipates the convergence of our farmers, private-industry stakeholders, government-partner agencies and attendees from the academe, enabling a fora of continuing discussions of collaborative efforts and drafting of legal policies and/or ordinances in the development and sustainability of the industry. Aside from the importance of beekeeping in agriculture and environment, it will also provide innovation in food sector through production of high-nutrition, immune-boosting and even therapeutic food products that can serve the domestic and international markets.

In this juncture, we are respectfully inviting you, Your Honor to attend to this event. May we also request your good office to allow/authorize the attendance of interested Teachers by a Memorandum to attend. Attached hereto is the list of options for the registration fee.

With fervent gratitude, hoping that this letter will merit your kind consideration and favorable action.

May God bless and protect us all.

Very truly yours,

EUFANIO C. LOYOLA JR.
President
