Subject: POLICY, PLANNING, AND RESEARCH MANAGEMENT MID-YEAR  
ASSESSMENT

Date : August 7, 2023

The Department of Education receives the highest allocation in the annual budget to efficiently implement the different programs, projects, and activities (PPAs). However, in the process of implementation of these PPAs monitoring and evaluation cycle often not given premium. This gap results in inaccurate tracking of outputs and outcomes of these PPAs that leads to inaccurate information provided to the top management for supposed evidence-based decision making. In addition, difficulty in linking with the findings of monitoring and evaluation with the plan, execution, and budget utilization.

The datasets generated in the current information system are vital in monitoring program - related data, computing key performance indicators, policy making, evidenced -based decision -making, specifically in providing with better options to enhance the delivery of basic education services for the teachers and learners which aligned with the priorities under the MATATAG Agenda.

In line with this, DepEd Regional Office XI through the Policy Planning and Research Division, will be conducting **Policy, Planning, and Research Management Mid-Year Assessment** for the implementation of Data Management, Learner Information System, Basic Information System, and other Planning Activities on **August 16-17, 2023**, exclusive of travel at La Isla Senfrosa, Mati City.

Further, this activity aims to: (1) review programs and activities and assess achievement of all committed outputs embedded in the WFP; (2) adjust plans for the remaining semester; (3) prepare FY 2024 targets and other policy, planning, data and research deliverables.

Participants listed in Enclosure 1 are requested to pre-register on or before August 15, 2023, through <https://forms.office.com/r/tKzR2RnJ2f>.

Transportation, incidental expenses, and board and lodging shall be charged against local funds subject to the existing accounting and auditing rules and regulations.
