UNIVERSIDAD DE DAGUPAN

Letter of Request

DR. ALLAN G. FARNAZO, CESO III
Regional Director
DepEd Region XI

Learning is a continuous process. This is not only applicable to our young learners but including our educators. As we continue on addressing the learning gaps brought by the pandemic, it is imperative for our educators to gain more knowledge and grow professionally. However, with the numerous tasks and paper works they need to attend to, most of them have no time to take post graduate schooling.

Universidad de Dagupan, formerly known as Collegio de Dagupan, is a premier university in Dagupan that has produced numerous top-notchers across different fields. The university offers Graduate School Programs through very flexible modalities. Discussion is done pure online through its very own LMS called STEPS LMS. Students from far places do not need to go on-site during exams; however, those residing nearby Dagupan are highly encouraged to go to the university to be able to experience its facilities. In this university, learners are not stressed, and they enjoy the comfort of staying at home while learning and gaining professional units.

I, the undersigned, am a member of the faculty of the Graduate School department. I am respectfully writing this letter to request for your indorsement to your teachers in under your region who are interested to take post graduate courses. I am handling two courses: *Master of Education in Educational Leadership* and *Doctor of Philosophy in Educational Leadership and Management*. I am looking forward to having them as my students in my classes. Rest assured that I will be guiding them in the entire program until they reach the pinnacle of success. The First Semester for the SY 2023-2024 begins this September 23, 2023; hence, enrollment is now on going.

Should you have any queries, you can reach me via Facebook (Stephen Tracy) or through my contact details indicated below. Thank you in advance for your affirmative response!

Truly yours,

Prof. Stephen Tracy E. Tabamo
