This course encompasses the fiscal activities of the government sector, which includes the national, local, and corporate government, and relevant and applicable arrangements of the government with the private sector and civil society.

The pioneering batch (2022 class) of students came from different government agencies such as Bureau of Treasury, Department of Budget and Management (DBM), Department of Foreign Affairs (DFA), Ministry of Finance and Budget and Management (MFBM-BARMM), Department of Public Works and Highways (DPWH), Department of Science and Technology (DOST) and also from the private sector and academia.

We warmly invite your employees on a transformative journey with us to further expand and refine their knowledge and skills in the field of public finance and budgeting. The online class will start on September 20, 2023!
