**Dear Regional Director Farnazo:**

The University of the Philippines – College of Education is a member of the UNESCO UNITWIN Network for Quality Teacher Education, which is convened by the Korea National University of Education (KNUE). Part of the network is to organize an international teacher training for teachers that come from member countries such as the Philippines, Thailand, Indonesia, and Viet Nam.

We have received an invitation from KNUE to nominate three (3) teachers from the Philippines who will join the UP College of Education for an **in-person teacher training in South Korea on October 30 to November 4, 2023**. Travel expenses such as round-trip flight (Manila to South Korea), accommodation, and meals will be sponsored by the UNESCO UNITWIN.

In this regard, we would like to request your good office to **nominate three (3) Science or Mathematics teachers from Region XI** who can join the training. Only one of the nominees will be chosen as we are also getting two other teachers from other regions in the country. Your nominees should be willing to train other teachers in order to share their learnings from the training.

Please email the following information together with the nominees' updated CVs to the UP College of Education Dean's Office ([educdean.updiliman@up.edu.ph](mailto:educdean.updiliman@up.edu.ph)) **on or before August 8, 2023.**
