OFFICE: University of the Philippines Mindanao, Mintal, Davao City

REGIONAL DIRECTOR, DEPARTMENT OF EDUCATION - DAVAO REGION

SUBJECT: Endorsement of 2023 Mathematical Society of the Philippines Davao Region Research Convention to be held on 20-21 October 2023 at

Dear Dir. Farnazo:

The Mathematical Society of the Philippines (MSP) stands as the leading non-profit organization for mathematics enthusiasts and professionals in the country, committed to advancing mathematical research and education nationwide. Having established regional chapters to broaden its reach, the MSP Davao Region Chapter, after years of inactivity, has been rejuvenated this year. To reignite the passion of mathematicians in Davao and surrounding areas, the chapter's core members spearheaded a local convention as a cornerstone of its revival.

Under the inspiring theme, "*Rekindling Mathematical Minds: Unting Mathematicians and Research Enthusiasts in the Region*," the MSP Davao Region Chapter cordially invites faculty, researchers, and students from higher institutions and senior high schools to the pivotal **2023 MSP Davao Region Research Convention** from **October 20-21 (Friday and Saturday)** at **Mapúa Malayan Colleges Mindanao**. Designed as a nexus for mathematical collaboration and discovery, the convention seeks to rejuvenate the regional mathematical community, drawing together experts, educators, and aficionados. Attendees will delve into the forefront of mathematical research, fostering new partnerships and expanding horizons in the vibrant world of mathematics. Your institution's participation will be an invaluable opportunity to engage with and learn from the luminaries and emerging voices in the field.

The convention will feature a panel discussion on math in industry and policymaking, research mentoring sessions, a competition for poster presentations, and parallel oral presentations of thesis students and researchers. More importantly, there will be a series of keynote and plenary speeches of mathematicians from reputable universities that cover themes such as Industrial Mathematics, Interdisciplinary Mathematics, Data Science and Statistics, Algebra, Mathematics Education, Analysis, Computational Mathematics, and Numerical Simulations. Note that **participants can submit their papers for presentation**. The MSP Davao review committee shall advise presenters to either present their papers orally or as a poster.

Registration is now open, and the deadline for abstract submission has been extended to **September 15, 2023**. To register and submit the abstract, kindly click the Google form link: <https://forms.gle/veLJ5HCjMDhWBN1aA> and complete the online registration form. Registration slots are on a first-come, first-served basis.

Mathematical Society of the Philippines Davao Region Chapter

E-MAIL: mspdavao@gmail.com

OFFICE: University of the Philippines Mindanao, Mintal, Davao City

For your information, the registration rates are as follows:

MSP member:

Early Bird (on or before September 15, 2023) : ₱3,500.00

After August 31, 2023: ₱ 4,000.00

Walk-In/Onsite: ₱ 4,500.00

Non -MSP Member:

Early Bird (on or before Sep 31,2023) : ₱ 4,500.00

After August 31, 2023: ₱ 5,000.00

Walk-In/Onsite: ₱ 5,500.00

Faculty and students (at least undergraduate level) who are interested in being members of the MSP Davao Region Chapter can visit this link: <https://bit.ly/msp-new-member>.

In line with this, we humbly request your endorsement of this event to further promote it to Senior High Schools (SHS) in the region.

We hope that several schools will be able to join us at this momentous event. Should you have any questions or require further information, please do not hesitate to contact us at mspdavao@gmail.com or visit the Official FB page: *Mathematical Society of the Philippines Davao*. For convention details, you may check them on our convention website link: bit.ly/MSPDVO2023.

May you find this request worthy of your endorsement. We hope for your positive response to this request.

Daghang Salamat po for your consideration.

Sincerely,

PROF. MAY ANNE E. MATA, PhD

President

Mathematical Society of the Philippines Davao Region
