Good morning everyone.

On behalf of the project team and BC Philippines, we would like to express our appreciation for managing the collection of important data for the ESBE project. As raised by the Bicol region (Dr. Joan) and NCR (Dr. Arnold), here are some of the issues that need to be taken care of.

- 1. List of Teachers: Only **ENGLISH** teachers will be included in the tracker for Grades 3, 6, and 10.
- 2. Private schools that are not operating anymore or are not offering at least Grade 3: Please provide us the list so we can provide the backup school.

Thank you and keep safe always.
