YEAR-END REVIEW AND 2024 TARGET SETTING

To: Assistant Schools Division Superintendent
Division Chiefs
Public Schools District Supervisors
Public School Heads
Concerned SDO Personnel

1. Year-end assessment is an integral component of management which generates official evaluation of an individual or office's annual performances. It determines the degree by which targets set at the start of the year are met, to what extent, and the reasons behind the achievements or setbacks. It is also an opportunity to understand performances better, re-evaluate commitments, strengths and weaknesses, as well as the external gains and losses. Likewise, it paves the way to the setting up of new directions and targets for next year's operations for a more improved performance.
2. Along this line, this Office will conduct Year-End Review and 2024 Target Setting on November 8-10, 2023 at Twin Mountain Resort, Sitio Balutakay, Brgy. Managa, Bansalan, Davao del Sur.
3. Attached is the list of participants for ready reference. Participants are required to bring laptop and extension wire for the activities.
4. The expenses (registration fee, transportation, meals, and accommodation) incurred relative to the activity are chargeable against GAA HRD Funds and School MOOE and/or other local funds subject to the usual accounting and auditing rules and regulations.
5. For information, guidance, and compliance.
