The Department of Education has been promoting the culture of research across each level of governance which is essential to evidence-based decision making and crafting of policy. In fact, DepEd Order No. 16, series 2017 re "Research Management Guidelines" provides a clear road map for research management. This endeavor targets to (1) upskill the participants in research data analysis with software application (2) capacitate the participants on the proper procedure of tabulating, analyzing, and interpreting data and (3) value the importance of software application in easing the process of data analysis. Further, each SDO's Senior Education Program Specialist for Planning and Research shall identify 2 participants, preferably an Education Research Evaluation Group member, and advise them to complete the pre-registration link- <https://bit.ly/2023Research3>. The official list of participants will be released in a separate memorandum.

Traveling and other incidental expenses of the participants shall be charged to local funds subject to the usual accounting and auditing rules and procedures. Further, service rendered during the activity shall be subject to the grant of service credits and/or Compensatory Overtime Credit (COC) as the case may be per DO No. 53, s. 2003 and CSC & DBM Joint Circular No. 2, s. 2004 respectively.
