Dear Dr. Farnazo:

We are organizing the **2023 Philippine Education Conference**, which will be held on December 6-7, 2023 at the SMX Convention Center, Pasay City. The conference theme is *Inspiring Reforms that Transform Philippine Education*. Attached is the conference program for guidance.

We would like to invite you to the conference and as Chair of the GASTPE Regional Program Committee in Region 11, you will be provided an all-access ID so you can attend the sessions of your choice.

Previous conferences had been the largest gatherings of educational leaders and practitioners in the country and featured speakers from the government, leading schools in the country, and international organizations. Held every two years, the conferences organized since 2013 were attended by an estimated 3,500 educators. It aims to bring together the various stakeholders in Philippine education in a collaborative environment to present and discuss education issues and to provide a forum for leading educators and experts to share their expertise and experiences. Videos of previous conferences are available on the PEAC official YouTube channel.
