Dear Director Farnazo,

The National Filariasis Elimination Program of the Department of Health Davao Center for Health Development would like to inform your good office that the DOH Central Office has already downloaded the Filariasis Test Strips (FTS) to DOH- DCHD and allocation have already been made for the conduct of Transmission Assessment Survey II (TAS II) in Davao City and Davao Del sur Province. The survey will serve as a tool to monitor the sustainability of the Filariasis-free status after the declaration in 2018. The participation of the Department of Education in the said survey is very vital, since we will be involving the Grades 1 and 2 as subjects of the survey.

The Regional Lymphatic Elimination Program recommends the conduct of TAS II in Davao City and Davao Del sur Province within December 2023.

In this regard, we would like to request the participation of your School Nurses and Health Teachers in coordination with the City and Provincial Filariasis Coordinator of Davao City and Davao del Sur Province to facilitate the conduct of the said activity.

For details and information, please contact Ms. Mary Divene C. Hilario, Regional Filariasis Program Manager at mobile number 09255008346.

Looking forward to the success of our collaborative efforts to sustain Filariasis-free Davao City and Davao Del Sur Province.

Very truly yours,
