## What's Next

- Formative and Summative Assessments
- Personalized Learning
- Lesson Plan Localization
- **MATATAG** Curriculum Integration

**JOIN US** in driving positive impact on the quality of education in our country.

We start by empowering Filipino educators; one lesson plan at a time.

## Here's how you can help!

- **Test and critique** our lesson plans
- **Champion and help roll out** Lesson Planner to your school
- **Share** Lesson Planner to your fellow teachers

Teachers make up to 10 lesson plans a week. Each lesson plan takes up to 3 hours to prepare.

## The Problem

We reached out to teachers and we have learned that their **common pain point** is the need to **constantly prepare lesson plans**.

They have to do this for different subjects and grade levels every week, for the rest of the school year.

Ultimately, the high effort required in preparing lesson plans is **limiting our teachers' ability to do more impactful work**.

**Subject: Request for Partnership: Providing Free Demo Training during DepEd Region XI INSET**

Dear Dr. Farnazo,

I hope this letter finds you well. My name is Roland Bautista, and I am the Co-Founder of Lesson Planner PH, a Philippine education startup committed to supporting teachers in creating effective lesson plans and learning materials for K-12 education.

I am writing to express our eagerness to collaborate with the **DepEd Region XI and actively contribute to this year's In-Service Training (INSET)** for our dedicated teachers. We believe that by working together, we can enhance the teaching experience and ultimately contribute to the quality of education in our community.

Lesson Planner PH has developed innovative features to assist teachers in preparing lesson plans, learning competencies, objectives, short quizzes, and various other learning materials. Our goal is to simplify the planning process and empower teachers to focus on what they do best – nurturing young minds.

We would be honored to volunteer our time and expertise by providing free demo training sessions during the DepEd Region XI INSET. Our sessions will showcase how our platform can assist teachers in **preparing analogies, short quizzes, fostering learning across the curriculum, and creating engaging and effective lesson plans.**

We are open to discussions on how we can tailor these sessions to meet the specific needs and preferences of the teachers in Region XI. Additionally, we are excited about the opportunity to receive feedback from educators that will help us refine and improve our platform further.

We genuinely believe that this partnership could be mutually beneficial, and we are committed to making a positive impact on the education landscape in Region XI.

Thank you for considering our request. Should you have any further inquiries or require additional information, please contact me at **+63-9338-6906-58** or via email at [roland@lessonplanner.ph](mailto:roland@lessonplanner.ph)
