Dear Dr. Farnazo;

Warmest greetings!

The Tomorrow International Institute, Inc. (TII), in collaboration with the Asian Center of Education, Research, and Training for Innovation (ACERT), brings you its innovative program titled, **Curriculum Leadership in the 21st Century School Environment: Issues and Challenges from a Global Perspective** during the **three (3) Saturdays of April 2024** starting April 13. This learning opportunity is an accredited program of the National Educator's Academy of the Philippines (NEAP) under PD-2021-0074- 1028 while the partner organization is listed as one of the accredited learning service providers under LSP-2020-0011-1020.

The goal of the learning program is aligned with DepEd Memorandum No. 50. Series of 2020 dated 04 May 2020. Specifically, the professional development initiatives include (as strengthened by DO 72, s. 2009):

1. Leading in designing and managing responsive support for curriculum implementation through efficient and effective programs, projects and activities aligned with curriculum standards.
2. Leading colleagues in innovating strategies to support curriculum contextualization.
3. Modelling exemplary practices in providing support for learning resource management in divisions/districts/ schools and learning centers.

To make the learning experience of the participants meaningful and effective, the program is aligned with the priority and prescribed learning areas and competencies for teachers, school heads, and even the newly hired under the DM 50, s. 2020. The learning competencies are also enumerated in the program details attached below.

Hence, it is our sincerest desire to share this program with your educators, school heads, principals and administrators as it is relevant in confronting the issues and challenges of transitioning to the new normal learning environment. The program gives a unique experience by combining international and local perspectives to unburden our fellow teachers and administrators in the post-pandemic learning classrooms.

For more information on this new convenient international training-workshop, contact **Jelly Joy Vete** in her contact number **0966-241-8549** or e-mail us.

We bring hope to the future,
