Dear Ma'am,

Greetings of Peace!

Southern Mindanao Computer College (SMCC), Inc. is planning to conduct a seminar on "Catch-up-Fridays" to upgrade our teachers' knowledge about the method of devising a procedure in realizing the goals of Matatag na Edukasyon.

Recognizing the importance of achieving an end toward the effort of the Department of Education and the positive impact on students' overall development in Reading and Mathematics, the school has taken the initiative to invite Dr. Leilane T. Señeres to expound the program "Catch-up-Friday" to the faculty members of SMCC.

Thank you for considering the school's request. I look forward to the opportunity to enhance our students' educational experience, with the expertise of one of your supervising staff.

Very truly yours,

Tabasa
