Subject: **Invitation to participate in the Philippine Dental Association 20th National Dental Health Month Celebration in accordance with Presidential Proclamation 559.**

Dear Vice President Sara,

Greetings, Happy New Year!

It is with immense pleasure and honor I extend a formal invitation to the **Department of Education (DepEd)** to actively participate in the upcoming **Philippine Dental Association's (PDA) 20th National Dental Health Month (NDHM) Celebration, with a theme "Celebrating Decades of Healthy Smiles"**. This event is mandated by Presidential Proclamation 559, emphasizing the importance of oral health awareness and education throughout the country.

As we commemorate the two-decade millstones of NDHM, it is worth acknowledging the remarkable journey this celebration has undertaken. Over the past 20 years, it has not only stood the test of time but has played a significant role in contributing to the reduction of dental caries prevalence among school children from 98% to 73% as reported by the Department of Health. The legacy of two decades speaks about the sustained efforts and dedication of PDA and DepEd that have transformed NDHM into a cornerstone for promoting oral well-being among children.

The NDHM Celebration serves as a platform for professionals, educators, and government agencies to collaborate in promoting oral health awareness, and as the Department of Education plays a crucial role in shaping the minds and habits of our nation's youth, your support and participation will contribute significantly to the success of our collective efforts.

In this regard, we would like to invite your DepEd Dentists to actively support and participate in the 20th NDHM Celebration in these following activities:

Activity	Date	Time	Venue
PDA 20 th NDHM National Celebration Opening Ceremonies	January 28, 2024	9:00 AM to 3:00 PM	SM Mall of Asia, Music Hall, Seaside Blvd, Pasay City
