Please disregard the previous email. This is the correct one with the correct attachment.

DR. ALLAN G. FARNAZO

Regional Director
Department of Education - Region XI
F. Torres St., Davao City Davao City

Dr. Farnazo:

Greetings from Visionary Training Center!

I hope this letter finds you well. I am writing to you on behalf of Visionary Training Center, where we are committed to enhancing the quality of education through innovative teaching methodologies and continuous professional development for educators.

We are excited to announce the launch of our upcoming **Online Master Class in Teaching Research**, designed specifically for Junior and Senior High School Teachers, College Instructors, and Graduate Students. This program aims to equip participants with advanced skills and methodologies in teaching research, fostering an environment that encourages critical thinking, problem-solving, and innovative approaches to education.

Given the Department of Education's dedication to improving educational standards and supporting teacher development, we believe that an endorsement from your esteemed department would be invaluable in reaching a broader audience of educators who could significantly benefit from this opportunity. Your support would not only help us promote this initiative but also reinforce the importance of research education in our schools and universities.

The master class covers a range of topics, including but not limited to, integrating research into the curriculum, qualitative and quantitative research methods, the use of technology in research, and ethical considerations in conducting research. Our goal is to provide educators with the tools and knowledge necessary to inspire their students and foster a culture of inquiry and innovation within their classrooms.

We would be honored to have the Department of Education's endorsement for our Online Master Class in Teaching Research. We are confident that with your support, we can make a significant impact on the quality of research education and contribute to the professional growth of educators nationwide.

The Advisory and other pertinent files are attached for your perusal. I would be delighted to discuss this further and provide any additional information required. Please feel free to contact me at 09760555730, or email thevisionarytrainingcenter@gmail.com.

Thank you for considering our request. We look forward to the possibility of working together to advance the field of education.

Sincerely,

KETHELLE I. SAJONIA, LPT, MDC

II. About the Online Master Class

a. Description

Online Master Class in Teaching Research is designed specifically for Junior and Senior High School Teachers, College Instructors, and Graduate Students. This comprehensive program aims to equip educators and aspiring researchers with advanced skills and methodologies in teaching research. Through interactive sessions led by renowned experts in the field, participants will delve into the latest trends and tools in research education, fostering a deeper understanding of how to inspire critical thinking and innovation among students. Whether their looking to refine your teaching practices or enhance the research curriculum, this master class offers valuable insights and strategies to elevate the participants professional expertise. Engage in a collaborative learning environment, network with peers from diverse educational backgrounds, and emerge with the confidence to transform the approach to teaching research.

b. Objectives

The online master class in teaching research aims the following:

1. Improve educators' abilities to teach research effectively, focusing on engaging and informative strategies that develop students' critical thinking and problem-solving skills.
2. Introduce educators and graduate students to advanced research tools and technologies, encouraging the integration of digital resources to keep teaching methods current and impactful.
3. Build a community for educators and graduate students to exchange ideas and experiences, supporting professional growth and enhancing the quality of research education through collaboration.

c. Scope and Module Topics:

- Introduction to Research in Education (Secondary and Higher Education)
- The Role of AI in Research
- Ethics in Research
- Qualitative and Quantitative Research Methods
- Publishing and Presenting Research
- Future Trends in Research Education

d. Enrollment Fee

- Early Bird Rate: 2,800php (Until March 2, 2024)
- Regular Rate: 3,000php
- Visionary Research Association Inc. Members Rate: 2,500php

e. Inclusions

- Comprehensive Modules / Learning Materials
- Access to Recorded Class Videos for review and reflection
- A Diploma Certificate upon completion
- Official Receipt
