MEMORANDUM

08 August 2023

FOR : **ARIZ DELSON ACAY D. CAWILAN**
Director IV
Bureau of Learning Resources

FROM : 
FERDINAND B. PITAGAN, PhD
Director IV
Information and Communications Technology Service 

SUBJECT : **RE: REQUEST FOR RECOMMENDATIONS ON THE
COMPUTER SPECIFICATIONS FOR THE INSTALLATION OF
THE KOHA LIBRARY MANAGEMENT SYSTEM FOR THE
DEPED CENTRAL OFFICE LIBRARY**

This is in response to your office memorandum **BLR-2023-07-1126** dated *August 1, 2023*, seeking recommendations for improved computer specifications to support the **Koha Library Management System**.

Upon conducting a thorough review of the data presented in the memorandum, the **Information and Communications Technology Service (ICTS)** is pleased to submit our suggestions concerning the essential computer specifications and technical guidance needed to successfully deploy the system.

Based on the data shared by the National Library of the Philippines (NLP), it appears that a computer with an *i5 processor, a 1 Terabyte Hard Disk Drive, and at least 8GB of RAM* would meet the requirements for operating the **Koha Library Management System**. Nonetheless, considering the dynamic nature of technology and anticipated future needs, we propose adopting specifications that align with the *DepEd Computerization Program (DCP) 2022 eLearning laptop specifications*. This approach will guarantee optimal system performance and longevity.

Battery	<ul style="list-style-type: none"> • At least 41 Wh • 5 hours minimum run time

These specifications should provide a more robust computing environment, ensuring a seamless experience for users interacting with the system.

Furthermore, we are pleased to offer our support in the form of a technical expert from our team to assist in the installation and provide ongoing technical assistance for the Koha Library Management System. Our expert will work closely with your team to ensure a smooth setup and address any technical challenges that may arise during the implementation process.

Thank you for considering our recommendations.

MEMORANDUM
BLR-2023-07-1126

FOR : **FERDINAND B. PITAGAN**
Director IV
Information and Communications Technology Service

FROM : 
ARIZ NELSON ACAY D. CAWILAN
Director IV

SUBJECT : **REQUEST FOR RECOMMENDATIONS ON THE COMPUTER SPECIFICATIONS FOR THE INSTALLATION OF THE KOHA LIBRARY MANAGEMENT SYSTEM FOR THE DEPED CENTRAL OFFICE LIBRARY**

DATE : **August 1, 2023**

The Bureau of Learning Resources (BLR) plans to use a Koha Library Management System for the DepEd Central Office Library. It is a web-based integrated library system used by the National Library of the Philippines (NLP) with a range of features including Online Public Access Catalog (OPAC), an interface for library users to perform tasks such as searching and reserving items.

The NLP informed the BLR that the required minimum specification needed is i5 computer with a 1 terabyte hard disk drive and with at least 8GB RAM and they will freely install the said software and provide future technical assistance. Attached is NLP's response regarding this concern.

In this regard, we are seeking ICTS's recommendations for better computer specification to be included for DepEd's procurement. BLR shall also request for a technical person from ICTS who will assist in the installation and other related technical assistance relative to this matter.

For your consideration and appropriate action.

Dear Sir Ompoc,

We will be glad to assist you with the Koha ILS acquisition.

Kindly prepare an i5 computer with a 1 terabyte hard disk drive and with at least 8GB RAM.

You can bring the above hardware to our office for installation. Otherwise, we can schedule a remote installation provided you have already installed the Ubuntu 22.04 operating system and Teamviewer on your server.

Thank you.

Respectfully,

Ana Fe V. Azuela
