Dear Atty. Poa,

Greetings of Peace and Love!

The Student Catholic Action of the Philippines (SCAP) is a national organization for high school and university students affiliated with the Federation of National Youth Organizations (FNYO) of the Catholic Bishops' Conference of the Philippines – Episcopal Commission on Youth (CBCP – ECY) and an international member of the International Young Catholic Students. It is registered as a non-stock and non-profit national organization that focuses on forming community of student leaders for social transformation that exists for 88 years in various colleges, universities and high schools in the Philippines.

The movement is known for providing values leadership conferences as essential venues for formation, critical discussion, and reflection on varied issues and life concerns that affect students and the community. Started by the Columban missionaries in the 1950s, SCAP leadership conferences led student leaders to produce meaningful actions upon carefully examining experiences based on the Gospel, employing Cardinal Cardijn's See-Judge-Act methodology. Through this process, participants are expected to be consciously aware, enabling them to influence their peers and communities with a transformative spirit.

Hence, a triennial Leadership Conference will be organized on **July 07 – 12, 2024**, in **San Fernando City, La Union**. The 14th SCAP National Leadership Conference (NLC) aims to gather selected student leaders, animators (mainly teachers), and chaplains (priests) from over 150 colleges, universities, and high schools nationwide to discuss issues affecting them and reflect on and discern concrete actions to be implemented in the next three years. It is also aimed at providing space for Catholic student leaders and youth ministers to deepen their understanding of the mission of the youth movement in today's world. Further, the 14th NLC will inspire and challenge Filipino youth communities to practice justice, peace, mercy, and love in their respective
