Dear Ma'am:

Greetings of Peace and Goodwill!

On the onslaught of Padigosan Festival 2024, Digos City will enthrall the public with its lively dance of colors and sounds while finding the balance between amplifying its local business exploits and keeping a keen eye on long term ecological sustainability and stability.

We have been currently drawing a steady crowd of eco-warriors, a growing community of environment enthusiasts, volunteers coming together to join the hustle on Tree Planting, Coastal Clean Up, and the recently concluded Riverside Clean Up and *Scubasurero* or Underwater Clean Up Drive. This is our version of how we pick up the fight against Climate Change, and act on a global issue within our means and territory.

On that note, we are inviting you and your staff/officers/members to come be with us, join the increasing number of eco-warriors who will once again assemble for a **Tree Planting Activity on July 15, 2024, 5:00 AM @ Riverside Barangay Tiguman, Digos City.**

Please be advised to bring bolo, extra t-shirt and refillable water tumbler. For more info you may contact us through mobile numbers 09918134547 (smart) / 09678753229 (globe).

Thank you very much for your consistent support and cooperation.

Yours in public service,

**HON. JOSEF F. CAGAS**  
City Mayor
