Dear Madam:

Greetings!

I am writing to formally request permission from the Division Office to provide dental services during the Brigada Eskwela 2024 this coming July 25, 2024 at Balabag National High School.

As a concerned member of the community and Brigada Eskwela coordinator of Balabag NHS, I am deeply aware of the importance of oral health in the overall well-being of our learners. Proper dental care not only ensures their physical health but also contributes significantly to their academic success by preventing absences due to dental issues.

The dental services we propose to offer during Brigada Eskwela 2024 include basic check-ups, and dental hygiene orientation. We believe that these services will greatly benefit the learners and prepare them for a healthy start to the upcoming school year.

I assure you that all necessary arrangements will be made to ensure the smooth operation of these services, including the involvement of qualified dental professionals and adherence to all health and safety protocols.

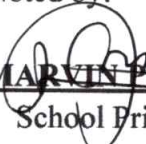

We kindly request your approval for this initiative so that we may proceed with our preparations. Your support in this matter would be invaluable in promoting the health and well-being of our learners at Balabag NHS.

Thank you very much for considering our request. I look forward to your positive response.

Sincerely,

  
**REMEL A. MOSQUIOLA**  
Brigada Eskwela Coordinator
