Dear **SDS Estacio**,

Warmest greetings!

We are thrilled to receive your letter of intent to partner with Youth Impact in driving learner performance through efficient and effective education program. We take your lead as we learn and innovate, together with Innovations for Poverty Action, through the pilot implementation of Teaching at the Right Level.

Cognizant of the challenges in the basic education system, Youth Impact is committed to implementing impactful programs to improve foundational skills and at the same time contribute to the professional growth of teaching and non-teaching personnel involved in the program. More so, as an organization that strongly fosters collaboration, we are excited to work closely with your team to ensure that we are aligned to the directions and priorities of the Department of Education.

Moving forward, future meetings and activities will be directly coordinated by Mariel Bayangos, Education and Partnerships Specialist. For clarifications and other concerns relative to the implementation of our programs, please feel free to reach her at mbayangos@youth-impact.org or mobile number (0998) 531 6815.

Respectfully,
