Subject : ADMINISTRATION OF THE NATIONAL CAREER ASSESSMENT
EXAMINATION (NCAE)

Date : AUGUST 5, 2024

In reference to DepEd Memorandum No. 031, s. 2024, the field is hereby informed of the schedule and list of testing personnel for the Administration of the National Career Assessment Examination (NCAE) for Grade 10 learners.

The NCAE is designed to provide guidance to individual learners for their future educational and career choices and to provide a basis for profiling learners' aptitude in the four senior high school (SHS) Tracks: Academic, Technical-Vocational-Livelihood, Sports, and Arts and Design. The results of the NCAE are utilized to support the national framework on career guidance and for entry assessment to the specific SHS tracks/strands in all public and private schools.

The NCAE assessment covers the following domains: General Scholastic Aptitude (**GSAJ, Academic Track, and Occupational Interest Inventory (OH)**). The GSA covers Reading Comprehension, Mathematical Ability, Verbal Ability, Scientific Ability, and Logical Reasoning Ability. The Aptitude for SHS Tracks contains: (a) Academic, which includes Humanities and Social Sciences (HUMSS), Science, Technology, Engineering and Mathematics (STEM), and Accountancy Business and Management (ABM); (b) Technical- Vocational-Livelihood (TVL); (c) Sports; and (d) Arts and Design. The OH is an inventory/checklist of occupational interests which provides an assessment on inclinations/preferences for comprehensive career guidance.
