Re: Invitation to the International Conference on STEM Education (ICSTEM) on 22-23 November 2024, 22-23 November 2024, NISMED

Dear **Dr. Farnazo**:

Greetings from the University of the Philippines National Institute for Science and Mathematics Education Development (UP NISMED)!

We are organizing an **International Conference on STEM Education (ICSTEM)**, which will be held on **22-23 November 2024** at the **UP NISMED Auditorium, UP Diliman, Quezon City**. With a theme *Advancing STEM Education through Emerging Technologies, Innovative Pedagogies, and Responsive Curricula*, the ICSTEM 2024 aims to bring together educators, researchers, policymakers, teachers, and students from around the globe to share and discuss ideas, research findings, and initiatives that contribute to the advancement of STEM education.

The conference features keynote speakers, including Prof. Zsolt Lavicza from Johannes Kepler University-Linz and Prof. Jan van Driel from the University of Melbourne. Additionally, plenary speakers such as Dr. Katie Wade-Jaimes from the University of Nevada, Las Vegas, and Dr. Masa Pavlovic from the Victorian Curriculum and Assessment Authority will grace the occasion.

Additionally, in celebration of **UP NISMED's 60th anniversary**, we are also pleased to offer **FREE pre-conference workshops** on **21 November 2024**. These pre-conference workshops are exclusive to participants registered for the ICSTEM 2024.

We look forward to having you, your officials, administrators, and educators among the distinguished attendees. To know more about the conference and registration details, please visit our official conference website at [ICSTEM 2024](http://icstem2024.upd.edu.ph). The deadline for early bird registration is **30 September 2024**. Accommodation, transportation, and other meals will be shouldered by the participants.

For any questions or clarifications, please do not hesitate to send an email to icstem24.upd@up.edu.ph.

Very truly yours,

SHERYL LYN C. MONTEROLA, Ph.D.
Director
