Subject : **MASS DRUG ADMINISTRATION**(Kinder to Grade 4 School learners)

Date : August 27, 2024

1. The field is hereby informed of the Mass Drug Administration of the kinder and Grade 4 School learners on August 29, 2024 since the deworming tabs/drugs stock is not sufficient for all our school learners provided by the City Health Office (CHO).
2. The deworming activity aims to prevent the Soil Transmitted Helminthiasis Infection (STH) with a positive impact on children's education and health.
3. The following key points shall be observed:
 - a. The students are advised to be fed before the deworming activity.
 - b. Teacher ensures to obtain a parents' consent. "No parents consent no Deworming Administration.
 - c. The School prioritize the School-Based Feeding Program recipients (SBFP) for deworming administration.
 - d. In case the school learners experience adverse events following intake of the Albendazole 400mg the teacher in charge assist/accompany the school students to the nearest Baranggay Health Station (BHS) to ask for medical help and inform their respective district nurses.
4. Other schools which opted to conduct the deworming activity on September 02-03, 2024 are still allowed.
5. Attached is the sample parents' consent, drug guide and the template for the deworming report for your ready reference, the soft copy of the template is posted at the district clinic teachers' group chat.

6. Albendazole drugs 400mg will be delivered to your schools by your respective district nurses before August 29, 2024.
7. For any queries you may contact the Integrated Helminths Control Program (IHCP) coordinator on her face book account Daissy Jane S.Penas.
8. Be required to submit a report after the Mass drug Administration to the Health and Nutrition Unit on September 06, 2024.
