This theme fosters a culture of continuous learning, resilience, and emotional connection, driving teams to achieve extraordinary results and leaving a lasting, positive impact on everyone involved. This activity also aims to promote wellness outside of day-to-day work to help employees to stay focused and work better together through sports and recreation activities, allow employees to step out of their comfort zone and get to know colleagues from other departments, and showcase their capabilities and cultivate the spirit of camaraderie with other personnel.

All NEU members, School Heads, and non-teaching personnel are encouraged to actively participate in the scheduled activities or provide moral and logistical support to their designated teams. Please refer to attached list of participants per group.

The participants for the events are grouped into four (4) teams, namely, **Red Dragons, Blue Eagles, Green Gators and Orange Lions**.
