DIVISION MEMORANDUM

CID-2024-782

To : Assistant Schools Division Superintendent
 CID and SGOD Chiefs
 Public Schools District Supervisors
 Education Program Supervisors
 Elementary Public and Private School Heads
 Elementary Public and Private School Teachers

Subject : **INVITATION TO PARTICIPATE TO THE 4TH INTERNATIONAL VEDIC MATHEMATICS OLYMPIAD (IVMO)**

Date : September 16, 2024

Attached is a letter from Virgilio Prudente, Founder of MATH-Inic Philippines, re: Conduct of the 4th International Vedic Mathematics Olympiad (IVMO 2024), which shall be held on November 30, 2024. Venue of this activity shall be announced later.

Both public and private schools are invited to participate in the said event. Interested coaches and participants from private schools are advised to communicate in any of the Centre Coordinators (CCs) listed below or to the Education Program Supervisor in Mathematics, Jem Boy B. Cabrella through his email address jemboy.cabrella@deped.gov.ph. The following are the CCs for elementary and secondary levels, to wit:

No.	Name of Teachers	School	Level	District
1	Myrell P. Dumigsi	Digos City NHS	Secondary	Secondary Schools
2	Nesylda D. Alpacion	Digos City CES	Elementary	Digos Occidental

Participation to the said activity shall be voluntary, on official time only and subject to the no-disruption-of-classes policy stipulated in DepEd Order No. 9, s. 2005 entitled "Instituting Measures to Increase Engaged Time-on-Task and Ensuring Compliance Therewith" and no government funds involved.

Immediate dissemination of this Memorandum is desired.

For and in the absence of
 Schools Division Superintendent

Math made fun, fast and easy!

September 6, 2024

MS. MELANIE P. ESTACIO
OIC - Schools Division Superintendent
Division of Digos City

Dear Ms. Estacio,

I am writing to formally extend the invitation of James Glover, the esteemed Chair of the Institute for the Advancement of Vedic Mathematics (IAVMO), to schools in your division to participate in the upcoming 4th International Vedic Math Olympiad (IVMO 2024) on November 30, 2024. Enclosed with this letter, you will find the invitation from Mr. Glover outlining the competition format and requirements and a flyer of the event containing the registration link.

As the Philippines continues to excel in the realm of Vedic Math on a global scale, we are eager to further boost our participation and make this year's event a resounding success. Your support plays a vital role in rallying schools in your area to join hands in showcasing our collective dedication to mathematics excellence.

We are confident that with your encouragement, we can achieve an unprecedented turnout, solidifying the Philippines' position as the leader in Vedic Mathematics worldwide.

Mr. Glover mentioned that in last year's IVMO 2023, more than five thousand Filipinos participated. He failed to mention, though that our mathletes won 244 gold, 488 silver and 746 bronze medals and 1490 merit awards, which is about 95% of all the awards given.

Even as we are now busy preparing for the 5th Philippine National Vedic Mathematics Olympiad which is one of our training events for the IVMO, we need your support to inform more students and teachers about this global competition.

Your collaboration will not only benefit the participating schools but also contribute to the advancement of mathematical education in our country.

We sincerely hope that you will consider supporting and promoting this event within your division, fostering a spirit of enthusiasm and friendly competition among students.

Thank you for your time and consideration. We look forward to the potential of working together to make this year's IVMO an enormous success.

Warm regards,

Virgilio Prudente
MATH-Inic Philippines
