Subject: PROFILING OF SCHOLARSHIP GRANTEES AND RECIPIENTS
OF PROFESSIONAL DEVELOPMENT PROGRAMS

Date : September 11, 2024

Data tracking in Quality Management System supports a systematic approach to maintaining and improving quality across an organization, providing a foundation for continuous improvement and risk management. Also, it ensures accurate, consistent data and reduces the risk of manual errors in tracking personnel development, improving overall Human Resource efficiency. In this regard, the National Educators Academy of the Philippines (NEAP) of Region XI would like to request Schools Division Offices (SDOs) to track and provide update on the status of scholarship grantees and other personnel (teaching, teaching-related, and non-teaching related) via <https://tinyurl.com/mt6br3dm> on or before September 13, 2024, and Means of Verifications (MOVs) are uploaded through <https://tinyurl.com/2kmpftwx>.

In addition, it is encouraged to prioritize the participants who have attended the following professional development activities, such as ILT, HOTS-PLPs, IPBT, RTOT, DTOT, and SBTT on the MATATAG Curriculum. In like manner, scholarship grantees of DepEd Fully Funded Scholarship grants and foreign assisted shall be included in the profiling system.

Furthermore, it is critical that this task be completed as soon as possible to ensure accurate and efficient tracking of personnel's professional growth and development. In view thereof, Schools Division Offices are highly encouraged to prioritize and expedite the data collection process.

Immediate dissemination of this Memorandum is directed.
