DepED

Dear Ma'am/Sir:

Greetings!

The City Government holds its ground pursuing ecological sustainability as it fosters mutual reliance and support to partner government agencies in a collaborative mode forged to leave a lasting legacy for Digosenos.

We are set to conduct the second **SCUBAsurero** or **underwater clean up drive**. Hence, we are inviting volunteer groups/ organizations/ institutions to join us for the Coastal Clean-up Drive on **September 27, 2024, 5 am, @ Fishlanding Area, Brgy. Sinawilan, Digos City.**

As we commit to deliberately intercept widespread pollution on our waters and natural habitat, we are counting on our citizens as well who share our hopes and vision, taking this responsibility at heart. This is to show our commitment to marine life protection, as we particularly target underwater waste in coastal areas. Debris in the coastal ecosystems threaten marine life as may be ingested or become entangled in plastic and other waste, leading to injuries or death, wreaking havoc to the entire ecosystem.

We are enjoining you and your members/ staff/ officers to participate on this very important environmental activity. Please be advised to bring garbage bags or empty sacks, extra t-shirt, hand gloves and refillable water tumbler. For more info you may contact us through mobile numbers 09918134547 (smart) / 09678753229 (globe).

We are truly privileged to be your partner and ally in achieving a healthier, more conducive habitat for our fishes and other sea thriving fauna, and we are looking forward to more opportunities of working with you.

Thank you for your invaluable support and cooperation.

Yours in public service,

**HON. JOSEF F. CAGAS**
