Sir:
Greetings of peace!

For some years, we, the **No Greater Joy Ministries** based in Tennessee, USA, have been conducting an anti-drug campaign within Davao Region. Through this anti-illegal drugs awareness campaign we have been able to impart good values, social awareness and godly counsel to many thousands of students in hundreds of communities.

We would like to continue conducting this 1 hour symposium to schools in Davao region. We believe that our team of trained lecturers should work hand in hand with schools in molding the societal values and personal character of students.

Through this free program the learners will understand the dangers and complex effects that illegal drugs would bring themselves, their family, and their community as a whole. In this program we will not be promoting any socio-political or religious groups but our motto "YES TO GOD, NO TO DRUGS".

We are hoping for your kindest consideration. May the Lord bless you!

Sincerely yours,

Mr. Ronald Beaudin
Davao Ministries Coordinator
