Subject : **CONDUCT OF DIVISION ASSESSMENT FOR KINDERGARTEN LEARNERS AND LITERACY & NUMERACY ASSESSMENT FOR GRADE 2 READINESS**

Date : November 7, 2024

In line with the need to assess foundational skills, the division will conduct an assessment for Kindergarten learners to evaluate their knowledge of letter names and sounds, which will begin after the second quarter. This is to ensure that learners are meeting the early literacy standards.

Additionally, literacy and numeracy assessments will be administered to Grade 1 learners who were not assessed using the Multi-Factored Assessment Tool (MFAT), starting this November to determine their readiness for Grade 2. This will help identify any gaps and support targeted interventions before advancing to the next grade level.

For immediate dissemination and compliance.
