REPUBLIC OF THE PHILIPPINES
DEPARTMENT OF INFORMATION AND
COMMUNICATIONS TECHNOLOGY

November 11, 2024

MELANIE P. ESTACIO, Ph, D. CESO VI
Schools Division Superintendent
Dept. of Education - Division of Digos City
Digos City, Davao del Sur

Dear Dr. Estacio:

Greetings from the Philippine National Public Key Infrastructure of the Department of Information and Communications Technology XI!

The threat of cyberattacks grows along with our dependence on technology. In our current digital age, wherein online interactions become the norm, reliable cybersecurity is no longer a preference but a necessity. In light of this, the DICT will be conducting an Awareness Campaign on the following topics:

- **Philippine National Public Key Infrastructure (PNPKI) Orientation:** A frontline service of DICT that ensures secure online transactions through encryption and authentication processes with the use of digital certificates. This aims to provide an in-depth overview of the various components of PNPKI, including its benefits, uses, legal bases, the proper usage of the digital certificate, and its role in cybersecurity for securing online transactions.
- **Cybersecurity Awareness:** An understanding of online threats, their possible impact on our private information, and the proactive measures to mitigate risks are all part of cybersecurity awareness. We can strengthen our resiliency and protection against breaches and unwanted access by being educated on various cyber-related threats.

In this regard, the DICT would like to invite your good office to participate in the "*Philippine National Public Key Infrastructure (PNPKI) Advocacy Campaign with Cybersecurity and Data Privacy Awareness*" that will take place on **December 4, 2024 at Avenue One Hotel, Digos City.**

One (1) slot has been allotted for your representatives. They may register through this link: bit.ly/PNPKI2024_DDS

Your participation in this event will be beneficial to your agency, and we look forward to your attendance. It would be very much appreciated if we could receive your confirmation on or before **November 25, 2024 at 12nn.** We would be glad to coordinate with your staff/representative.

For further queries, you may contact Rea Fe S Timtim, email address davaodelsur@dict.gov.ph and contact no. 09302830846.

Thank you very much and we look forward to your positive response.

Very truly yours,
