Dear Ma'am/Sir

During December, the global healthcare community joins partners and communities to commemorate World AIDS Day. The world can end AIDS – if everyone's rights are protected. With human rights at the center, with communities in the lead, the world can end AIDS as a public health threat by 2030.

Under the theme "**Take the rights path: My health, my right!**", the World Health Organization (WHO) is calling on global leaders and citizens to champion the right to health by addressing the inequalities that hinder progress in ending AIDS.

The Digos City Health Office will commemorate the World AIDS Day this coming **December 19, 2024**. The activity will start with a **multi-sectoral parade at LYR Building, Quezon Avenue, Digos City, by 7:00 AM** and will commence at the **Digos City Gymnasium with a Zumba Dance activity**. Health services such as **HIV Testing, Flu Vaccination, and other activities** will also be offered during the event.

In line with this, I would like to invite ^{or 5} **3 representatives** from your institution to join us during the event. Your support and cooperation would be highly appreciated.

I am hoping for your positive feedback on this request.

Thank you very much and more power!

Respectfully yours,

MILAGROS R. SUNGA, MD
 City Health Officer II
