ALLAN G. FARNAZO, CESO IV
Regional Director, DepEd ROXI
F. Torres St., Davao City

Dear Sir:

The Mathematics Trainers' Guild (MTG), Philippines supports the thrusts of the Department of Education in promoting excellence in mathematics education among the Filipino youths in the public elementary and high school levels. Our projects and programs have been aligned to the goals of the department since we also dream that every Filipino will be proficient in mathematics in the K to 12 Program.

In view thereof, the Mathematics Trainers' Guild (MTG), Philippines will be giving **5 000 FREE slots** to deserving public school students in your region to participate in the **ONLINE 2025 International Kangaroo Math Competition – (IKMC) Philippines**. This competition is recognized as one of the largest international correspondence mathematics competitions, attracting over 6 million participants from 108 countries. In the Philippines alone, we take pride in having more than 15,000 Filipino participants from over 1,000 public and private schools in the country.

The IKMC is an **ONLINE CONTEST** scheduled to be **OPEN** for 5 days from March 24-28, 2025, depending on the specific grade level assigned for the contest. The final schedule for the grade level contest will be communicated to schools and individual participants two (2) days before the contest. The contest window is from 8:00 A.M. to 9:00 P.M.

The breakdown of the **5 000 FREE slots** for students currently enrolled for School Year 2024-2025 is as follows: For every public school in your district will be allotted with **100 slots** for every grade level from **grades 1 to 12**.

The **Top Scorers** in each level will be honored with prestigious medals and certificates.

The IKMC – Philippines aims to:

- Encourage students to master their mathematical knowledge and skills.
- Give them confidence in their ability to understand mathematics.
- Help them recognize how to apply mathematics in their daily life activities.
- Develop their ability to derive pleasure and satisfaction through intellectual life.
- Show that mathematical education is significant in every part of the world.

The entrants recommended by their principal must **REGISTER to this link below:**

<https://forms.gle/GKHtmiiPv122Mtes7>

The registration includes the following information:

- a. Name of students,
- b. Full name of school and address
- c. School's ID number
- d. Student's Learning Reference Number (LRN)
- e. Grade levels
- f. Gender, date of birth and
- g. Student's email to be used during the online contest preparable using the Gmail account.

IKMC PHILIPPINES

International Kangaroo Mathematics Competition

2025

Why Do Kids Need to Participate in the Math Kangaroo 2025?

Enhancing Mathematical Skills

Participation in Math Kangaroo 2025 fosters the development and enhancement of essential mathematical skills and abilities.

Self-Assessment

Children can evaluate their strengths and weaknesses in mathematics, fostering self-awareness and a targeted approach to improvement.

Cultivating Critical Thinking

Engaging in Math Kangaroo 2025 cultivates critical thinking and problem-solving skills, contributing significantly to overall intellectual growth.

Deeper Understanding

Math Kangaroo 2025 enables participants to acquire a profound understanding of various mathematical concepts.

Inclusive Learning Networks

Math Kangaroo 2025 opens doors to diverse learning communities and networking opportunities, facilitating a rich educational experience.

Academic Advancement

Math Kangaroo 2025 holds the potential to elevate students' math grades and enhance their overall academic performance.

Sitting Date: March 24–28, 2025

Grade Level Categories

Lower Primary Division	→	Grades 1 and 2
Middle Primary Division	→	Grades 3 and 4
Upper Primary Division	→	Grades 5 and 6
Junior Division	→	Grades 7 and 8
Intermediate Division	→	Grades 9 and 10
Senior Division	→	Grades 11 and 12

Registration Deadline: February 18, 2025

All GOLD MEDALISTS will be automatically nominated in the DOST - SEI'S YESA.
