Subject : **2025 DIVISION FESTIVAL OF TALENTS (DFOT)**

Date : February 7, 2025

In line with the goal of delivering quality, relevant, inclusive, and responsive basic education, the SDO Digos City - Curriculum Implementation Division, will conduct the 2025 Division Festival of Talents (DFOT) on February 27-28, 2025 and March 28, 2025. The opening program will take place on February 27, 2025 at Digos City Gym.

DFOT, as a co-curricular activity, is a clear and proactive reinforcement of the teaching and learning process. This reflects a significant association between what the learners learned in school and what they perform and produce during this activity.

The objectives of DFOT are:

1. to provide opportunities for learners to showcase their talents and skills;
2. to strengthen the application of knowledge and skills in different subject areas by engaging students in collaborative and experiential learning activities; and
3. to cultivate confidence, teamwork, and discipline among students by participating in individual and group competitions that align with 21st-century learning competencies.

Participation in the 2025 DFOT is voluntary and shall not, in any way, affect the time-on-task of teachers as this activity's target learning standards and competencies are already embedded in teachers' actual classroom teaching and assessment process.

The schedule is set on the following dates and venues:
