SUBJECT : INVITATION TO THE 47TH ANNUAL NATIONAL PHYSICS
SEMINAR-WORKSHOP

DATE : 15 November 2024

The Philippine Physics Society (PPS) will be conducting its **47th Annual National Physics Seminar-Workshop** on **March 25-28, 2025**, at the **Foundation University** in **Dumaguete City, Negros Oriental**.

The theme for this year's Convention is "**PPS@51: Physics for Advancing Eco-Friendly Innovations**," which underscores the importance of eco-conscious advancements through physics, fostering collaborations that benefit educators, students, and society.

Public high school physics educators may choose to attend the activity, provided their participation does not interfere with the conduct of classes in schools and any regular functions and responsibilities. The use of DepEd funds is subject to the approval of respective authorities and contingent upon availability, adhering to the usual accounting and auditing rules and regulations.

For more details, please see the attached communication from the PPS.

Secretary, Department of Education

Dear Secretary Angara,

Warm greetings! I hope this letter finds you in good health and high spirits.

On behalf of the Philippine Physics Society (PPS) committee and as the 2025 PPS Convention Director, I am delighted to extend an invitation for you and all high school science teachers within the Department of Education to participate in the **47th Annual National Physics Seminar-Workshop/Convention**, organized by the **Philippine Physics Society**. This landmark event is set to take place from **March 25-28, 2025**, at **Foundation University in Dumaguete City, Negros Oriental**.

Under the theme, "**PPS@51: Physics for Advancing Eco-Friendly Innovations**," this year's convention highlights the importance of eco-conscious advancements through physics, fostering collaborations that benefit educators, students, and society. The Philippine Physics Society, established as the oldest, largest, and most nationally representative association of physicists, physics educators, and enthusiasts in the country, remains committed to advancing physics education and inspiring innovative teaching practices.

The seminar-workshop and convention will offer a rich program, including the **38th National Physics Olympics** and the **33rd National Physics Fair**. These events promise an exceptional platform for high school and college physics educators, students, industry researchers, and professionals to exchange insights, discover cutting-edge teaching methodologies, and deepen their understanding of physics' role in sustainability.

In this regard, we respectfully request your office's endorsement through an official **DepEd Memorandum**. This endorsement would not only encourage broader participation but would also enable schools nationwide to recognize the value of this professional development opportunity for their physics educators. We also request that invitations be disseminated widely to high school science teachers, particularly those teaching physics.

Enclosed with this letter, you will find the official invitation with comprehensive details on the event and its activities. Should you have any questions or require further clarification, please do not hesitate to reach out. I am available at **09692037445** or via email at pinerobrando@yahoo.com or brando.pinero@foundationu.com.

Thank you very much for considering this request. We look forward to a favorable response and the active participation of our dedicated high school physics teachers in this enriching and impactful event.

Best regards,
