Subject : **2025 DIVISION FESTIVAL OF TALENTS (DFOT)**

Date : February 7, 2025

In line with the goal of delivering quality, relevant, inclusive, and responsive basic education, the SDO Digos City - Curriculum Implementation Division, will conduct the 2025 Division Festival of Talents (DFOT) on February 27-28, 2025 and March 28, 2025. The opening program will take place on February 27, 2025 at Digos City Gym.

DFOT, as a co-curricular activity, is a clear and proactive reinforcement of the teaching and learning process. This reflects a significant association between what the learners learned in school and what they perform and produce during this activity.

The objectives of DFOT are:

1. to provide opportunities for learners to showcase their talents and skills;
2. to strengthen the application of knowledge and skills in different subject areas by engaging students in collaborative and experiential learning activities; and
3. to cultivate confidence, teamwork, and discipline among students by participating in individual and group competitions that align with 21st-century learning competencies.

Participation in the 2025 DFOT is voluntary and shall not, in any way, affect the time-on-task of teachers as this activity's target learning standards and competencies are already embedded in teachers' actual classroom teaching and assessment process.
