ABRASAHAN 2025 consists of two major components, the EMSS Interscholastic Quiz and a Webinar, which will bring together junior and senior high school students from across the nation. This event is designed to foster a greater understanding and appreciation of engineering, mathematics, and science, while also encouraging friendly academic competition and collaboration among students from various regions.

In light of the significant educational value of this event, we humbly request the support of the Department of Education, Regional Office XI in encouraging your schools and students to take part in **ABRASAHAN 2025**.
