CONCEPT PAPER

- I. **EVENT TITLE:** 3RD NFJPIA-RXIC ABM CUP
- II. **THEME:** The Grand Clockwork: Guiding Scholars Through the Cosmos of Knowledge

III. **RATIONALE**

The 3rd NFJPIA-RXIC ABM Cup is an annual event hosted by the **National Federation of Junior Philippine Institute of Accountants – Region XI Council (NFJPIA-RXIC)**. It is dedicated to the region's Senior High School ABM students. The event aims to provide students with an opportunity to (1) showcase their proficiency in solving theoretical and computational problems in Business Mathematics and Fundamentals of Accounting and (2) discover the champion within themselves. This experience will equip them for the next chapter of their academic life: college.

IV. **SPECIFIC OBJECTIVES**

- To promote academic excellence among students, fostering a deeper understanding of accounting.
- To provide students with the opportunity to test their knowledge in a friendly, fun, and competitive atmosphere.
- To assist participants in discovering their strengths and weaknesses in various Accountancy-related subjects through the academic competitions.

- To enhance the visibility of NFJPIA Region XI on a broader scale, ensuring awareness among Region XI ABM students about the organization's existence.
- To foster camaraderie and introduce the NFJPIA community to potential future members.

V. SCOPE, COVERAGE, AND ELIGIBILITY

The 3rd NFJPIA-RXIC ABM Cup is open to all students in the field of Accountancy, Business, and Management (ABM) within the region. The schools shall send **a minimum of five (5) and a maximum of ten (10) students** to compete, as the event will accept up to ten representatives from each school in Region XI. The event expects to cater a total of five hundred participants overall, only accepting a total of two hundred participants from **Davao del Sur and Davao Occidental (Bracket 1)** and three hundred participants from **Davao del Norte, Davao de Oro, and Davao Oriental (Bracket 2)**. Therefore, only the first five hundred registrants can join the Elimination Round. The event will collect a registration fee of **Php 350.00** per student, covering food for the elimination and semi-final rounds, as well as materials, such as but not limited to answer sheets and questionnaires, to be used by each participant in the competition.

As part of the registration process and requirements, the Adviser or teacher-in-charge is required to complete the master list using the provided link by creating a copy instead of directly editing the sheet. The necessary documents must then be submitted through the provided email addresses.

Furthermore, the eligibility of the participants will be carefully evaluated. Only enrolled SHS ABM students for the school year 2024-2025 are allowed to

register for the NFJPIA-RXIC 3RD ABM CUP. There will be no minimum high school average grade requirement for the participants.

The Regional ABM Cup 2025's coverage shall include the following topics: (1) Business Mathematics; (2) Fundamental of Accountancy, Business, and Management 1; and (3) Fundamental of Accountancy, Business, and Management 2.
