I hope this message finds you in good health and spirits. I am writing on behalf of Programa Genio, the educational advocacy arm of the ABS-CBN Foundation. Our mission is to support and enhance the educational landscape through various programs, including teacher training and the provision of essential resources such as Learning tablets, and Technical-Vocational-Livelihood (TVL) equipment in the BUMP.

To ensure that our initiatives effectively contribute to the improvement of educational outcomes, we are conducting a series of focus group discussions (FGDs) with focal heads and coordinators. The purpose of these discussions is to evaluate and understand the impact of the assistance provided, specifically targeting the effectiveness of the teacher training programs, and the utilization of the resources supplied.

We kindly seek your permission to conduct an Monitoring and Evaluation with the relevant focal heads and coordinators in the Davao region who have benefited from our programs. The feedback gathered will be crucial for assessing the success of our interventions and identifying areas for further enhancement.

We would like to inform you that the FGDs are scheduled to take place from April 13 to 16, 2025.

Furthermore, we kindly request your division's assistance with accommodation and transportation for our travel during this process. Your support in this regard would be immensely appreciated.

We are grateful for all the support that you provide. If you have any questions or concerns about this change, Please don't hesitate to contact Michael Angelo Castro, Program Officer, Programa Genio, ABS-CBN Foundation Inc. via 0915-4115-710 or e-mail at MICCastro@abs-cbnfoundation.com
