Dear DepEd partners,

We are excited to work with you this year in improving numeracy through Teaching at the Right Level!

To start, we are organizing a detailed virtual program orientation for school heads and supervisors on **April 24-25, 2PM to 5PM**.

May I request for your confirmation of the said dates and please share the following meeting links to your selected school heads and supervisors.

[April 24, 2PM to 5PM](#)

[April 25, 2PM to 5PM](#)

This orientation meeting aims to:

- Discuss the four pillars of the Teaching at the Right Level
- Share the TARL tools and materials that will be used during teacher training and implementation
- Provide a walkthrough of the M&E system
- Discuss the roles, responsibilities and support system for schools and SDOs

For planning purposes, TARL virtual training for teachers is set on May 26-28, 2025. Details regarding the training will be sent to concerned SDOs.

Thank you for the SDOs that have already sent the list of schools and school heads information to us. For those that are yet to share the list of schools, please start sharing them to us until April 15 so we can start working on our database.

We would also appreciate receiving copies of the memo issued relative to TARL implementation.

We are grateful for the opportunity to partner and collaborate with you!

Sincerely,

Maribel

TISA/Youth Impact
