Dear **Dr. Farnazo**,

Makabatang araw!

Over the years, Bantay Bata 163 has advocated for children's rights and development, focusing our efforts on promoting child protection and mental health. Apart from community-based projects, we also organize an annual online event aimed to promote awareness on crucial issues affecting children. Since its conception in 2022, **The Filipino Child** has allowed our partner communities and fellow child rights advocates to discuss and gain insights that would help them address the most pressing concerns related to the safety and well-being of the children in their respective communities.

In line with this, we would like to invite school personnel, learner rights and protection officers, guidance coordinators, and child protection coordinators to the upcoming **The Filipino Child 2025: National Dialogue on Child Protection** with the theme: **Exploring New Laws on Child Protection** on **April 11, 2025 from 8AM - 12PM**, and will be streamed live via the **Bantay Bata 163 Facebook Page**.

To confirm their attendance, participants can register through the following Registration link: [bit.ly/TFC2025Registration](https://bit.ly/TFC2025Registration) until **April 9, 2025**. All registered participants will receive a *Certificate of Participation* for their attendance and upon completing the *Post-Activity Evaluation and Post-Test*.

We look forward to your participation in this meaningful discussion and will be open to answer any inquiries or concerns through our Senior Program Officer, Ms Ailene L. Alea through her email at [ALAlea@abs-cbnfoundation.com](mailto:ALAlea@abs-cbnfoundation.com).
