Subject: Request for Issuance of Circular on Attendance at Philippine Nursing World Congress 2025

Dear Hon. Angara,

I hope this message finds you well.

On behalf of the organizing committee of the Philippine Nursing World Congress 2025, I respectfully request your support in issuing a circular that would allow government-employed nurses to attend the Congress on official time. The event is scheduled to be held at the Grand Men Seng Hotel, Davao City, from June 25-27, 2025. The Congress, under the theme "Bridging Cultures, Elevating Care: The Global Impact of Filipino Nurses," will bring together nursing professionals, educators, and healthcare leaders from across the globe. It is an excellent opportunity for our dedicated nurses to gain valuable insights, participate in skills-building sessions, and contribute to discussions that aim to improve patient care and elevate the standards of nursing practice nationwide.

We believe that enabling government-employed nurses to attend this event on official time will not only enhance their professional development but also positively impact the quality of care provided in public healthcare settings. Your support in this regard is essential, and we are confident that your endorsement will further strengthen the capabilities of our Filipino nurses.

Please find attached the detailed document outlining the Congress agenda and the intended benefits of the circular.

We are happy to provide any additional information or clarification if needed. Thank you very much for considering our request. We look forward to a favorable response and to the continued support of the Department of Health in advancing nursing excellence in the Philippines.

Respectfully,

PATRIA V. MANALAYSAY, RN, PhD
