DepEd MEMORANDUM

No. **035**, s. 2025

**SUPPLEMENTAL GUIDELINES FOR THE IMPLEMENTATION
OF THE SUMMER ACADEMIC REMEDIAL PROGRAM**

To: Undersecretaries
Assistant Secretaries
Bureau and Service Directors
Regional Directors
Schools Division Superintendents
Public Elementary and Secondary School Heads
All Others Concerned

1. In alignment with the Department of Education's (DepEd) 5-Point Reform Agenda, with a particular focus on efficient learning delivery, DepEd reaffirms its commitment to ensuring that every learner has to complete the basic quality education with the necessary competencies and skills for higher education and/or the world of work or for entrepreneurship. As such, DepEd recognizes the need to offer a **Summer Academic Remedial Program** to ensure the continuous progress of a learner from one grade level to the next.

2. This Memorandum is issued pursuant to DepEd Order (DO) No. 010, s. 2025 or the Guidelines for the Implementation of the 2025 Department of Education Summer Programs, particularly the provision on the conduct of summer programs that proactively prepare learners for the succeeding school year through focused remediation efforts. The 2025 Summer Programs are thoughtfully planned to harmonize with and reinforce the goals of the Academic Recovery and Accessible Learning (ARAL) Program. The Summer Academic Remedial Program is one of the 2025 DepEd Summer Programs to ensure that learners attain the required learning competencies at their grade level and prepare them for transition to the next grade level.

SCOPE AND COVERAGE

3. This Memorandum applies to all public and private elementary and secondary schools nationwide, covering learners from Grades 4 to 12. It provides clear and appropriate directions for all personnel across the various levels of governance within DepEd.

4. Private schools and higher education institutions, including state and local universities, colleges, technical and vocational institutions, and Philippine Schools Overseas, offering basic education, are also encouraged to adopt and implement these guidelines.

5. The conduct of the Summer Academic Remedial Program shall ensure effective and equitable opportunities for learners with identified learning gaps or learning area deficiencies, ensuring that no learner is left behind. This is to ensure that they attain the required learning competencies at their grade level and prepare them for transition to the next grade level.

IMPLEMENTING GUIDELINES

Guidelines and Requirements

6. The Summer Academic Remedial Program shall be held for four weeks, Mondays through Fridays, from May 13 to June 6, 2025.

7. The school shall submit a letter of request to offer the Summer Academic Remedial Program to the schools division office (SDO) not later than April 21, 2025. The school shall include the following in its request:

- a. Indicative number and list of learners to attend the program; and
- b. Indicative number of teachers available to conduct the remedial classes.

8. The schools division superintendent (SDS) shall approve the request based on the submitted data.

9. Schools shall prepare the following for submission to the SDO after the request has been approved:

- a. List of students per grade level;
- b. List of least mastered competencies per learner;
- c. List of learning area/s to be offered per grade level;
- d. List of teachers and subjects they will teach;
- e. Class program; and
- f. Parent's permit.

ELIGIBLE LEARNERS

10. The following learners shall either be required or eligible to enroll in the Summer Academic Remedial Program:

- a. Grades 4 to 12 learners **who did not meet the expectations in one or two learning areas** based on DO 8, s. 2015, titled Policy Guidelines on Classroom Assessment for the K to 12 Basic Education Program, or any future policies are required to enroll in the Summer Academic Remedial Program;
- b. Senior high school (SHS) learners who failed in any learning area at the end of the first or second semester or those who failed a prerequisite subject are required to take up remedial classes; and
- c. Learners with disability who enroll shall be provided with appropriate learning modification and accommodation to ensure that they catch up.

LEARNING DELIVERY MODALITIES

11. The in-person learning delivery modality shall remain the primary learning delivery modality for remedial classes in all schools. However, classes may also be delivered through blended learning, combining in-person learning (IPL) with distance learning delivery modalities (DLDMs). The DLDMs enable learning to occur between teachers and learners in different geographic locations. It includes modular distance learning (MDL), online distance learning (ODL), television/radio-based instruction (TV/RBI), and blended distance learning.

12. If schools opt for blended learning, each learning area must adhere to the required number of hours stipulated in paragraph 16 of this Memorandum. As a standard, at least 75% of the total number of hours required shall be conducted using in-person learning, while up to 25% may be done through a combination of DLDMs most suitable to the learners' context. Schools have the discretion to determine the most appropriate mix of DLDMs to complement in-person learning. To optimize the man-hour requirement, teachers shall focus their instruction on the least mastered skills.

13. Schools shall have the flexibility to decide on the learning resources, provided that they meet the learning needs of learners and align with the most appropriate teaching approaches and strategies, learner-centered, skills-based, inclusive, developmentally appropriate, relevant, gender- and culture-sensitive, and contextualized.

14. In case of unforeseen emergencies or disasters, schools shall refer to DO 022, s. 2024, titled Revised Guidelines on Class and Work Suspension in Schools During Disasters and Emergencies.

LEARNING AREAS FOR REMEDIATION AND DAILY TIME ALLOTMENT

15. Remedial classes shall be conducted for one or two of the learning areas where the Grades 4 to 12 learners did not meet expectations or failed.

16. The daily time allotment for each learning area is:

Learning Area	Grades 1 to 10
English/Language/ Reading and Literacy Science/Mathematics/EPP/TLE/GMRC/VE	4 hours/day
Makabansa/Araling Panlipunan/MAPEH	3 hours/day

17. For Grades 11 to 12, learning areas under core, specialized, and applied tracks shall be allotted two hours each with a four-week duration for remedial classes.

CLASSROOM ASSESSMENT

18. Learning assessment for those learners shall be in accordance with the provisions stipulated under DO 8, s. 2015. The final grade in the remediation classes shall be the **Remedial Class Mark (RCM)**, while the average of the final grade at the end of the school year and the RCM shall be the **Recomputed Final Grade (RFG)**.

Each learner must obtain an RFG of at least 75 or higher to be promoted to the next grade level or semester (for SHS).

19. If the RFG of the learner is below 75, he/she shall be reassessed immediately by the subject teachers to determine the least-mastered competencies. The results of the reassessment shall serve as the basis for planning and designing an immediate instructional intervention to ensure the transition of that learner to the next grade level or semester. In case the learner still fails despite the instructional intervention, he/she shall be allowed to enroll in the next grade level for the succeeding school year with continuous provision of tutorial services through the ARAL Program.

20. A **Certificate of RFG** shall be given to the learner duly signed by the concerned subject teacher and approved by the school head or principal and shall be presented upon enrollment in the next grade level or in the next semester.

21. Learners failing assessments and showing developmental advancement or delays or with manifestations of learning difficulties who are in mainstream classes may be referred to the multidisciplinary team of the Inclusive Learning Resource Centers (ILRCs) or to other professionals for further assessment until an appropriate tool is developed or adapted. These learners shall be provided with immediate and appropriate intervention.

REMEDIAL TEACHERS' BENEFIT

22. The school head shall identify expert teachers to handle specific learning areas during remediation classes. Master teachers and/or highly proficient teachers in their respective learning areas shall be prioritized.

23. Teachers handling remedial classes shall receive the incentives enumerated in Section VI of DO 010, s. 2025.
