Dear Schools Division Superintendent,

Greetings of peace in the name of St. Paul!

The College of Education and Liberal Arts (CELA) of St. Paul University Manila is pleased to inform your good office about an exciting scholarship opportunity for incoming first-year college students who aspire to pursue a career in the field of education.

We are offering the **Honors Program**, a prestigious and highly competitive scholarship for passionate and high-achieving students who aim to become transformative educators. This program provides **financial assistance amounting to ₱25,000 per semester**, renewable until the fourth year of study. Moreover, it features a **straight master's track** (except for students under the Bachelor of Special Needs Education program), enabling students to earn both their Bachelor's and Master's degrees in one continuous journey—granting them a unique academic and professional advantage early in their careers.

In this regard, we humbly seek your valuable assistance in **disseminating this information to all public and private senior high schools under your division**. We would greatly appreciate it if you could endorse and encourage your school heads and guidance personnel to share this opportunity with their Grade 12 students who may benefit from the program.

We have attached a publication material for posting on school bulletin boards, offices, classrooms, and official social media platforms. Interested students may access the application form through this link: <https://forms.gle/s6eYVrWfoMHJDQBm9>, or by scanning the accompanying QR code in the publication material.

Should there be any inquiries or further clarifications needed, we are reachable via mobile at **0961 976 7336** or through email at [shs@spumanila.edu.ph](mailto:shs@spumanila.edu.ph).

Thank you for your time, support, and unwavering commitment to quality education. We look forward to your help nurturing the next generation of dedicated and excellent educators.
