DIVISION MEMORANDUM

SGOD-2025-252

To : Assistant Schools Division Superintendent
Division Chiefs
Public Schools District Supervisors
Education Program Supervisors
Public School Heads
Public School Teachers

Subject: **INVITATION TO THE TRAINING COURSE ON DOWNSTREAM DATA UTILIZATION**

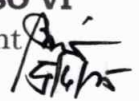

This is in reference to the 1st Indorsement dated April 28, 2025, signed by Allan G. Farnazo, Director IV, the herein invitation from **PhilSA – Space Education and Scholarship Division**, re: Training Course on Downstream Data Utilization.

Participation in the activity should only be voluntary and prior arrangement of the concerned school heads and teachers shall be made in compliance with DepEd Order No. 9 s. 2005 re: “Instituting Measures, to Increase Engaged Time-on Task and Ensuring Compliance Therewith” ensuring that no classes shall be disrupted and no DepEd funds shall be used.

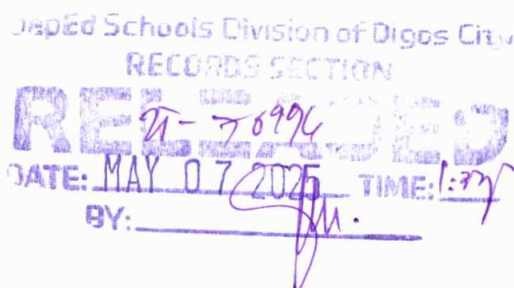

Relevant details and information are provided in the enclosures.

Attendance/participation is on official time only.

Immediate and wide dissemination of this Memorandum is directed.

MELANIE P. ESTACIO, PhD, CESO VI
Schools Division Superintendent

Dear Dr. Farnazo:

Greetings from the Philippine Space Agency (PhilSA)!

22 APR 2025

4/25/2025
Jo. W

On behalf PhilSA, we extend our heartfelt gratitude for the tremendous support DepEd-Region XI has provided during the School Visit, Exhibition, and Technology Demonstration held from March 24-28, 2025.

We are happy to report that the number of individuals and institutions we reached in the event exceeded our expectations. Over 2,000 people, primarily students and faculty members from both basic education and tertiary levels, visited the Space Science and Technology Exhibit showing great interest in space sciences and the work we do at the agency. Our staff and volunteers at the exhibit were delighted to address numerous technical queries about satellite design, control mechanisms, and scholarship opportunities, among others. It was particularly gratifying to see many students, professionals, and interested individuals visit the Space Science and Technology Exhibit at the USEP Social Hall.

Building on the success of this activity, we are pleased to inform you that PhilSA conducts specialized training sessions related to our expertise and mandate, tailored to specific needs. One of the trainings we regularly conduct is the Training Course on Downstream Data Utilization which is designed to teachers handling Science, Research and Technology subjects.

We believe your institution might be interested in some of the training programs we offer. Should you wish to request a specific training or need technical assistance, please let us know by filing out this form: <https://form.jotform.com/230791586775471>

Once again, thank you for receiving us during the courtesy visit last March 28. We look forward to more opportunities to collaborate on future projects and to continue building on the strong foundation we have established.

Sincerely,

PhilSA-Space Education and Scholarships Division
