Marjun B. Rebosquillo, ME, EM
Education Program Specialist
Digos City Division
Digos City, Davao Del Sur

Dear Sir Rebosquillo:

Greetings of peace!

The College of Education, Arts, and Sciences will organize its 6th CEDAS Research Forum on May 16, 2023. This activity aims to provide avenues for the student-researchers to realize the importance of conducting research to answer and address problems experienced in their field of specialization. The aforementioned event seeks to provide a platform for CEDAS students to share their researches, ideas, insights, findings, and results of their studies to the entire CEDAS in a form of a contest.

This whole-day affair consists of a plenary session at 9:00 a.m. and parallel sessions at 1:00 p.m. The plenary session will be held at the 6th Floor, Norbert Building Auditorium, while the three parallel sessions will take place at the 5th Floor of the Norbert Building. During the parallel sessions, students from different programs in our college will present their research.

In this regard, I am inviting you to be one of the judges in the parallel sessions in the afternoon. I believe that your expertise in the field of research will be of great help in letting us determine the best research presenters, best papers, best in PowerPoint of our student researchers.

I look forward to your positive response. Thank you very much, and more power!

Sincerely yours,

MARIA VINICE O. SUMALJAG, LPT, PhD
BSSED PROGRAM HEAD
