DR. MELANIE P. ESTACIO
Superintendent
DEPARTMENT OF EDUCATION – XI
Division of Digos City
Roxa St., Digos City

Dear **Dr. Estacio**:

Greetings!

The Department of Environment and Natural Resources—Environmental Management Bureau—XI intends to conduct an online environmental learning activity titled **“Responsible Disposal: Hazardous Waste Management in Campuses and its Permitting Requirements, and Orientation of the Republic Act 11898 or the Extended Producers’ Responsibility Act”**, which aims to promote environmental awareness and address emerging issues associated with improper disposal of electronic equipment and electronic devices.

The RA 6969 or Toxic Substances and Hazardous and Nuclear Wastes Control Act of 1990, is a Philippine law that regulates the handling, use, and disposal of toxic substances and hazardous wastes. It aims to control and prevent harm to human health and the environment from these substances.

The learning activity will delve into **proper handling, storage, disposal, and requirements for securing permits for Waste Electrical and Electronic Equipment (WEEE)** or the M506 under Department of Environment and Natural Resources (DENR) Administrative Order No. 2013-22 (e.g., discarded electrical and electronic devices --- busted bulbs, computers, etc.)

In addition, participants will also have the opportunity to gain knowledge about RA 11898, or the Extended Producers’ Responsibility Act of 2022, an amendment to RA 9003 or the Ecological Solid Waste Management Act. This law mandates that large enterprises are responsible for the entire lifecycle of their plastic packaging waste, from design to post-consumer waste management. This law aims to reduce plastic pollution by holding producers accountable for their products’ environmental impact and promoting waste reduction, recovery, and recycling.

In view of this, we invite School Principals, faculty, and staff in various schools in Davao City, both elementary and secondary schools under your jurisdiction, on **May 28, 2025, at 8:30 AM-12:00 pm** through Microsoft Teams with the following link:
