All Others Concerned

Subject : **PROJECT BASA: Literacy and Numeracy Advocacy During Brigada Eskwela 2025**

Date : June 2, 2025

In line with the Literacy and Numeracy Advocacy of the Department of Education, this office reminds the field to ensure promoting and highlighting **Project Basa for Reading Mastery** as schools do the **2025 Brigada Eskwela Kick Off**. This reading program seeks to:

1. Improve the reading proficiency level of the learners across all key stages;
2. Empower learners to see reading as both a skill and a source of joy;
3. Cultivate a reading culture in schools where every child is given the chance to grow into a confident and skilled reader.

During the Brigada Eskwela Kick Off, all school heads are directed to present Project Basa to their respective audiences—including the school community, barangay councils, PTAs, and other stakeholders—and highlight the vital role of community involvement in achieving the goal of “Lahat ng Bata sa Digos City ay Nakakabasa.” To strengthen this shared commitment, schools should actively seek the support of stakeholders—whether through donations, volunteer efforts, or literacy-related resources—and prioritize preparing the necessary materials and resources for the said reading program.

The Public Schools District Supervisors, with the Division Reading Focal Person, are expected to provide technical assistance to their respective schools in this endeavor and do monitoring as to its implementation within Brigada Eskwela Period.

Schools are also tasked with incorporating and realizing the Project Basa goals into their school improvement plans to ensure alignment with DepEd’s literacy and numeracy initiatives, which contributes to fostering a reading culture in every child

For immediate dissemination and strict compliance.
