Tribute Song Sagot sa Dalangin

Song by: Mariciris Garcia

Di ko man magawang maipagmalaki
ang pinagmulan, at aking narating
may isang biyayang nagmula sa bituin
di mapapantayan ng anumang hangarin

Pre-chorus:
lahat ng makakaya ay sa'yo ibibigay
at lahat ng kakayanin pa sa'yo iaalay

Ikaw ang aking tala sa gabing madilim
ikaw ang bawat sana sa lahat ng hiling
sa hirap man o sa saya, ay tunay na ikaw pa rin
sagot sa aking dalangin

Ang 'yong kamay sa'kin ay nagbigay kahulugan
lumalaban ako upang ika'y gabayan

Pre-chorus:
lahat ng makakaya ay sa'yo ibibigay
at lahat ng kakayanin pa
sa'yo iaalay

Ikaw ang aking tala sa gabing madilim
ikaw ang bawat sana sa lahat ng hiling
sa hirap man o sa saya, ay tunay na ikaw pa rin
sagot sa aking dalangin

Pangakong habang-buhay ay hindi pakakawalan
nandito lang ako, habang ika'y nariyan

Ikaw ang aking tala sa gabing madilim
ikaw ang bawat sana sa lahat ng hiling
sa hirap man o sa saya, ay tunay na ikaw pa rin
sagot sa aking dalangin

Graduation Song Akin na 'To

Song by: Denise Barbacena

Sa dami ng napagdaanan nahanap ko
mga sagot sa king tadhanang mapaglaro
di man lahat ay naniwala
pilit kong sinubok ang pangarap ko

Balakid ay di iniwasan
tinahak ko, daang inukit para sa mga katulad ko
di pipiglas, haharapin ang anumang pagsubok
nang taas noo

Pre-chorus:
natatanaw ko na'ng bukas na maliwanag
bakit pa bibitaw kung kakayanin na

Tuluy-tuloy, hindi titigil
kaya pa, wag magpapigil
sige lang, hahakbangin ko ang daan patungo sa
paikot-ikot kong landasin
para sa buhay na aking
nais maabot, hindi na hihinto

Lakas na pinanghahawakan ay narito
haharapin anumang laban ng puso ko
bawat daan na lalakaran ay simbolo ng pagsisikap ko

Pre-chorus:
natatanaw ko na'ng bukas na maliwanag
bakit pa bibitaw kung kakayanin na

Tuluy-tuloy, hindi titigil
kaya pa, wag magpapigil
sige lang, hahakbangin ko ang daan patungo sa
paikot-ikot kong landasin
para sa buhay na aking
nais maabot, hindi na hihinto

Akin na 'to, akin na 'to
Akin na 'to, akin na 'to

Pledge of Loyalty

We, the completers of the Alternative Learning System, School Year 2024– 2025, do hereby pledge to keep the ideals and goals of the Department of Education, to exhibit what has been expected of us as ALS completers, to help contribute in building a sound, descent, and disciplined community, with an aim to assist in the full development of the nation, in its progress, peace and prosperity, and in the pursuit of happiness for all. So help us God.

Acknowledgement

We, the ALS Implementers would like to express our heartfelt thanks for the undying support extended to us by the stakeholders, and fellow DepEd personnel. Your undying assistance has indeed contributed a lot for the success of the ALS program implementation and has been giving colors for today's 'Graduation/Completion Exercises'. We give you thanks.

Most of all we thank the Almighty Father for guiding and blessing us always.

We humbly express our appreciation.

ALS Implementers

Congratulations to our dear graduates of the School Year 2024-2025!

You have successfully navigated a school year filled with challenges and intricacies through your hard work, perseverance, and determination. Your journey has been enriched with learning experiences that will undoubtedly help you become the best version of yourselves.

We commend your perseverance and your commitment to valuing education and your future. We understand that balancing lessons, projects, and activities is not easy, but each of these has contributed to your growth. You have gained independence and, in many ways, developed essential leadership skills.

Being a leader is not solely about being elected as an officer in class or any school organization. It is about actively participating in school activities, demonstrating strong communication skills, building positive relationships with peers and teachers, taking initiative on projects, and showing responsibility through your commitments.

Your learning experiences have made you resilient individuals, and the opportunities you embraced have allowed you to reach your full potential. One day, you could become the leaders our country needs.

This is just the beginning of an exciting journey ahead. Your hard work, perseverance, and passion have brought you to this incredible milestone. As you step into the future, pursue your dreams, embrace new challenges, and never stop learning. The world is full of possibilities, thus allow yourself to discover them.

The memories, friendships, and lessons you've gained will remain with you forever, so make the most of everything.

Congratulations! Step forward with confidence!

ALLAN G. FARNAZO
Regional Director IV

My warmest congratulations to the outstanding completers and graduates of School Year 2024-2025!

Your remarkable achievement in completing your basic education is a testament to your hard work, perseverance, and dedication. This milestone marks the beginning of new opportunities, challenges, and aspirations that will shape your journey ahead.

As you move forward, may the knowledge, skills and character you have built become your foundation in achieving greater success. Let your education blossom into practical skills that empower you to pursue your passions with confidence and purpose. Strive to make a meaningful impact, inspiring others through your actions and contributions.

I look forward to witnessing the exceptional individuals you will become. May your path be guided by the values that have defined your education—integrity, resilience, and compassion. Uphold these principles in all your endeavors, embodying the true spirit of a Digoseno: strong in character, virtuous in purpose, and exemplary in all aspects of life.

Carry with you the wisdom and lessons you have gained, letting them serve as your guiding light as you chase your dreams and shape your future. As you build a bright and meaningful tomorrow, use your experiences to illuminate your path, fuel your passions, and strengthen your determination.

To our future leaders and nation builders, I wish you all the success and happiness life has to offer. Congratulations, and may God bless you always!

MESSAGES

As we close School Year 2024-2025, I want to extend my heartfelt gratitude to our learners, teachers, school staff, parents, and partners who have been part of this shared journey. This year's theme, Henerasyon ng Pagkakaisa: Kaagapay ng Bagong Pilipinas, underscores our collective effort in strengthening our education system to meet the demands of a rapidly evolving world.

I have seen this commitment firsthand in my visits to schools across the country. I have met learners who wake up before dawn to walk kilometers to learn, teachers who go beyond their duty, and parents who sacrifice to provide their children with better opportunities. These realities push us to craft enduring reforms.

Through the 5-Point Reform Agenda, we have taken concrete steps to address classroom shortage, strengthen our workforce by filling critical personnel, accelerate digitalization, enrich career pathways, and implement policies that lead to lasting systemic improvements. We opened the doors of our offices and schools to our partners in the private sector to make all of these happen.

Beyond solving existing challenges, we are also spearheading the groundwork for a futureready education system. Our goal is not just about an uptick in numbers. Our goal is for every Filipino child, no matter where they are, to have the opportunity for learning, growth, and success.

To our teachers and school staff, your dedication is the foundation of this transformation. Your hope and hard work are the reason we are making progress. To parents and guardians, your support at home shapes the aspirations of our learners and inspires them to strive for more.

To our students, you are the heart of everything we do. Your dreams fuel our drive to make education better and more inclusive.

And to our graduates and completers of SY 2024-2025, congratulations! You are the generation that binds all of us together. As you step into the next chapter of your lives, bring with you the values of perseverance, resourcefulness, and compassion that define us as Filipinos.

As we move forward, DepEd, under the administration of President Ferdinand R. Marcos Jr., remains committed to raising the quality of education, strengthening governance, and ensuring that our youth reach their full potential. With an unyielding commitment to equity, we will build a stronger, more inclusive education system for generations to come.

Maraming salamat at mabuhay ang edukasyon ng Bagong Pilipinas!
